

WESLEY GOLF SOCIETY NEWSLETTER MAY/JUNE 2020

THE NO NEWS NEWSLETTER!

Dear Wesley Golfers,

It is eleven weeks since the last Wesley Newsletter. **Steve** and the Committee wanted to say Hello to all our Wesley members in these strange times. We hope you are keeping safe and well and despite the lockdown enjoying the sunny weather without the worry of hitting that pesky little white ball!

Although golf courses are reopening with various restrictions, golf society days have been cancelled at present so we have carried forward our bookings to the same venues next year for this years cancelled outings as well as South Bucks.

We will review our future bookings as they come up and see if it may be possible to play as the lockdown releases .

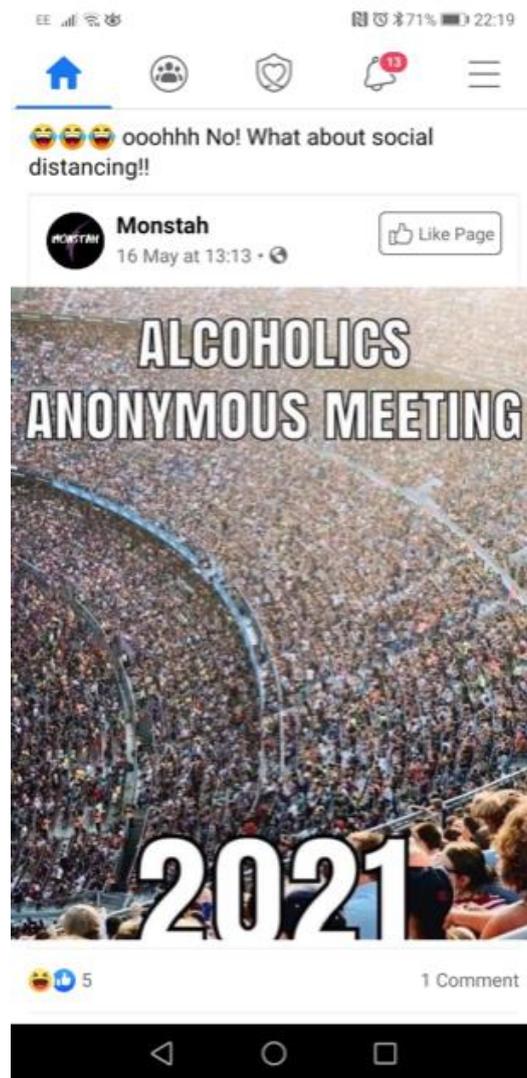

Maureen sends her good wishes but is a little concerned that her computer may have forgotten how to calculate handicaps and indeed how to cut them!

Morag says Hello and sends the picture below

After 2 weeks of quarantine, Jane was knitting something special for her husband Jim

Ron is itching to get back on the golf course and is a little concerned about us !

Geoff has a new email address maskell@gmx.co.uk and asks if you would amend your records please. Do try it out to see if it works, I am sure he would love to hear from you. He reports:

At the present time the **Away Day** at the **Hilton Ageas Bowl** has been rescheduled for **1st /2nd October 2020**. It is still in the diary and hopefully with restrictions being lifted week by week it may be possible to go albeit with a few restrictions. I will provide an update but in the meantime there are a few spare places available for golfers and non golfers who like to come and join in the fun. Do email me on maskell@gmx.co.uk if you would like more information

Trixie as usual is very busy and is happy to report that the membership as far as she is aware all seem fit and well. However Gordon is still suffering with a bad back (and it can't be too much golf) so we hope that it settles down again very soon

The Times have been running a series on names for golf shots

- 1 An Arthur Scargill A great strike with a poor result!
- 2 A Salman Rushdie putt One that's long and difficult to read
- 3 A Dominic Cummings A long drive but probably out of bounds?
- 4 A Son-in-law Not what you had hoped for but could have been worse!

And Finally
